Digital Therapeutics Alliance
*Chief Financial/Operating Officer (Consultant or full-time)*

The Digital Therapeutics Alliance (DTA) is a non-profit trade association of industry leaders and stakeholders engaged in the evidence-driven advancement of digital therapeutics (DTx). DTA maintains an international presence, with over 40 global members located across 15 countries.

DTA is seeking an experienced individual to develop a long-term strategy to bring the Alliance into its next phase of organizational growth and industry expansion. This individual, in a temporary or full-time capacity, will be responsible for forging the commercial and operational success of the DTA organization.

**Key Responsibilities**

*Financial sustainability:*
- Develop and implement a reliable roadmap for the organization’s financial sustainability, inclusive of infrastructure and operational requirements.
- Evolve the Alliance’s revenue-generation model and identify opportunities for growth.
- Ensure diligent and responsible financial management of the Alliance, including systems for budgeting, invoicing, payroll, benefits, insurance, and taxes.

*Operations:*
- Drive DTA’s overall growth strategy and implement necessary steps for the organization’s long-term success.
- Develop and execute a metric-driven operational plan to maximize productivity and sustainability.
- Identify and address barriers that may affect organizational performance.

**Desired Skills and Experience**

- 12+ years operating or managing a non-profit or small organization.
- Demonstrated ability to drive financial results and deliver meaningful outcomes.
- High attention to detail, including strong organization and analytical skills.
- Healthcare experience is required, plus a desire to learn about the DTx industry and apply insights to DTA-specific efforts.

**Considerations**

Applications are being accepted from individuals interested in a temporary consultancy and/or full-time role. This is a remote position that reports directly to the Executive Director. All candidates must be eligible to work in the United States.

Interested candidates may submit a letter of interest and resume to info@dtxalliance.org.
